EO Nixon spoke with Mr. George Krumme on January 15, 2015. Mr. Krumme has been in the oil business a number of years and a long time resident of Bristow, Oklahoma. He was 5 or 6 years old and the time the refineries were built in Bristow. He stated that there was a rail spur into Wilcox Oil Refinery. He stated that the business practice at that time was for the crude oil to come into the refinery by pipeline and the refined product was shipped by rail. He also stated that Mr. Peter Kelly, of Spirt Bank, may have some insurance policies related to the Site. EO Nixon will follow up with Mr. Kelly.
